MULTIPLE APPLICATION CASES

WHEN A CAT HAS MULTIPLE APPLICATIONS, WE WILL GO THROUGH THEM ON A FIRST COME, FIRST SERVE BASIS³ AND WILL GIVE THE ADOPTION OPTION TO THE FIRST **APPROVED**⁴ APPLICATION.

¹ Some spay/neuter surgeries are performed at the time of adoption. Others are performed on a pre-adoption basis.

² Micro-chipping includes the micro-chip, the micro-chip insertion and the pet's life-time registration in Home Again's database.

³ We have waiting lists of approved adopters waiting for specific types/sizes of cats. These applications are given priority.

⁴ Applications coming in first are looked at first but they do not guarantee approval.

COPY OF DRIVER'S LICENSE (or other form of ID) IS REQUIRED

This application is designed to help us determine if the adoption is in the cat's best interest, and to assist you in finding a pet compatible with your lifestyle. An unwise adoption can result in an unpleasant experience for adoptive families and may ruin the pet for further adoptions. We hope you will agree that the pet's welfare must be our foremost concern.

I understand the above questions and I authorize investigation of all statements contained in this application. I understand that misrepresentation or omission of facts called for is cause for denial of adoption. By signing this application, I am stating that the above mentioned is true.
